

Coronavirus (COVID SECURE) Risk Assessment – Pillgwenlly Millennium Centre (Effective from 4th October 2021)

COMPLETED BY:	JULIE FISH	ASSESSMENT DATE:	23.09.21
COVID OFFICER:	JULIE FISH/TOM CARROLL	REVIEW DATE:	18.11.21

HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Outbreak and spread of COVID-19 Coronavirus Risk to: <ul style="list-style-type: none"> • Everyone 	Medium	The coronavirus causes respiratory illness in humans, usually resulting in mild symptoms including runny nose, sore throat, cough and fever. Some individuals experience more severe symptoms and it can lead to pneumonia, breathing difficulties and in rare cases death. For further advice refer to the Public Health Wales website: https://phw.nhs.wales/topics/latest-information-on-novel-coronavirus-covid-19/	Low	Review latest Government and Public Health Board guidance and update as required.	Ongoing
Communications / Educate staff Risk of: Infection control Risk to: All persons	Medium	Educate staff via regular communications. Develop and communicate a Coronavirus COVID-19 management plan, display posters, perform team briefs outlining the current situation and any updated Government advice. Promote good hand and respiratory hygiene, promotion of infection control procedures. Staff will be briefed regularly regarding changes to regulations and procedures. Staff training sessions will be scheduled at suitable intervals and when there are significant changes to the regulations.	Low	Review latest Government and Public Health Board guidance and update as required. Display posters around the Centre which encourage frequent and adequate hand washing / sanitising and effective respiratory hygiene practises. Organise staff briefings and training.	Ongoing
Good Personal Hygiene Risk of: Infection control	Medium	<u>Catch It, Kill It, Bin It</u> Persons should cover their mouth and nose with a tissue (not your hands) when they cough or sneeze. The used tissue should then be placed in the bin immediately. Persons should then wash their hands with soap and hot water for a minimum of 20	Low	Review latest Government and Public Health Board guidance and update as required. Ensure that there is a ready supply of	Ongoing

<p>Risk to: All persons</p>		<p>seconds. Boxes of tissues to be made available throughout the Centre.</p> <p><u>Hand Washing</u> Persons should wash their hands at least every hour using hot water and soap – use hand sanitiser gel if washing with soap and water is not possible at that time.</p> <p><u>Hand Driers</u> The automatic hand driers will be disabled until further notice due to the risk of transmission of coronavirus through aerosols. Paper towel dispensers have been installed in all toilet areas within the Centre.</p> <p><u>Hand Sanitiser Stations</u> Hand sanitiser products to be made available throughout the Centre for occasions where hand washing may not be a viable option.</p> <p><u>Skin Care</u> Staff are encouraged to protect the skin on their hands by applying emollient cream regularly. Hand cream to be made available for staff.</p>		<p>hot water, soap and tissues for hand drying.</p> <p>Provide hand sanitiser for when washing hands is not an option.</p> <p>Staff to be reminded to wash their hands on a regular basis. Also to catch coughs and sneezes in a tissue and to avoid touching their face, eyes, nose or mouth with unclean hands.</p> <p>Ongoing monitoring by management.</p>	
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Staff member with symptoms / close contact with persons with symptoms</p> <p>Risk of: Flu-like symptoms pneumonia, breathing difficulties, death</p>	<p>Low</p>	<p>A staff member who is experiencing symptoms similar to those present with coronavirus (persistent cough, fever and/or loss or change of taste or smell), must not come to work and must get a PCT test straight away. The staff member should follow current Government / Public Health advice regarding self-isolation and what to do if you are a close contact of someone who is a positive case.</p> <p>https://gov.wales/coronavirus</p> <p>https://phw.nhs.wales/topics/latest-information-on-novel-coronavirus-covid-19/</p> <p>The staff member must then contact the manager and update them in relation to their condition and advice they have been</p>	<p>Low</p>	<p>Review latest Government and Public Health Board guidance and update as required.</p> <p>Internal communication channels and cascading of messages will be carried out regularly to reassure and support employees in a fast changing situation.</p> <p>Management will offer support to staff that are affected by coronavirus or has a family member affected.</p> <p>Ensure procedure for cleaning and</p>	<p>Ongoing</p>

		<p>given. If the staff member is advised to self-isolate they must do so and only return to work when the self-isolation period is over and symptoms have gone.</p> <p>If a staff member becomes ill with coronavirus related symptoms whilst on site, they must let a member of management know straight away and they must leave the building and book a PCR test straight away.</p> <p>All other staff will be advised of any persons within the workplace who have shown signs of the infection, and who are being tested for coronavirus. However, the individual's identity will not be disclosed during any communication / updates to staff.</p>		<p>disinfecting the workstations are in place through use of disinfectant cleaning products, anti-bacterial wipes and sanitising mist sprays.</p>	
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Centre customers and visitors with symptoms / close contact with persons with symptoms</p> <p>Risk of: Flu-like symptoms pneumonia, breathing difficulties, death</p> <p>Risk to: All persons</p>	Medium	<p>Posters to be displayed at the entrance to the Centre and in the windows to ask persons not to enter if they have symptoms.</p> <p>If a customer or visitor becomes ill with coronavirus related symptoms whilst on site, they must let a member of management know straight away and they must leave the building and book a PCR test straight away.</p> <p>The area of the Centre being used by the customer or visitor and the confinement area used will be subject to a "deep clean" in accordance with Government advice.</p> <p>All staff on duty will be advised of any persons within the workplace who have shown signs of the infection, and who are being tested for coronavirus. However, the individual's identity will not be disclosed during any communication / updates to staff.</p>	Low	<p>Review latest Government and Public Health Board guidance and update as required.</p> <p>Current Government advice requires person who have developed symptoms to self-isolate and to book and take a coronavirus test and follow current advice.</p>	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Dealing with the public</p> <p>Risk of: Infection control</p>	Medium	<p>The general public will not be allowed access to the Centre until further notice. Only customers and visitors with booked activities, appointments or future booking enquiries will be allowed to access to the Centre. Parents of children attending sessions may be allowed entry to the building.</p>	Low	<p>Review latest Government and Public Health Board guidance and update as required.</p>	Ongoing

Risk to: All persons		<p>Staff to manage entry using the intercom system and access should only be allowed if the staff member is sure that the person is a valid customer or visitor, or has a future booking enquiry.</p> <p>It will be mandatory for customers to use hand sanitiser as they enter the building, otherwise entry will not be allowed. A hand sanitiser station will be set up at the entrance. Non-alcohol based sanitiser will be available from reception for anyone who refuses the alcohol based product.</p> <p>Contactless forehead thermometers will be used on a random basis to check customer and visitor temperatures as they enter the building. A temperature of 37.8 degrees or over will be classed as a high temperature and the person will be refused entry and will be advised to go home and arrange to book a test.</p>		Reinforce message via website and social media.	
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Higher risk groups Risk of: Infection control Risk to: Elderly, pregnant women, pre-existing conditions	Medium	<p>The company will review the situation regarding localised cases on an on-going basis and ensure good communication with all high-risk individuals.</p> <p>Individual return to work discussions to be held with staff members who have declared a pre-existing health condition.</p>	Low	<p>Review latest Government and Public Health Board guidance and update as required.</p> <p>Ongoing monitoring by management.</p>	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Internal cleaning Risk of: Infection control Risk to: All persons	Medium	<p>An existing strict cleaning regime is in place within the company to ensure that the workplace and all facilities are serviced and suitably cleaned on a regular basis. The recommendations within the following HSE guidance has been followed: https://www.hse.gov.uk/coronavirus/cleaning/index.htm</p> <p>Staff are encouraged to disinfect their workstations during the day, particularly after eating, returning from the toilet and changing shifts. Disinfectant spray mist devices and anti-bacterial wipes have been supplied.</p>	Low	<p>Review latest Government / World Health Organisation guidance and update as required.</p> <p>Rigorous checks will be carried out by management to ensure that the necessary procedures are being followed.</p> <p>Staff to use disinfectant fogging</p>	Ongoing

		<p>Processes put in place to increase the frequency of cleaning of frequently-touched communal areas, including door handles, kitchens, toilets, showers, bin lids, light switches, handrails, hot-desk keyboards, phones and desks. Checklist to be signed off by staff members to confirm compliance with this crucial task.</p> <p>All rooms are cleaned and disinfected in between use including all tables, chairs, doors and other touch points such as light switches and socket switches. The hourly sanitising jobs and room changeover cleaning jobs must be completed and recorded on the Daily COVID Cleaning schedule.</p> <p>The disinfectant fogging machine may also be used to disinfect meeting rooms in between customer use to reduce any possible cross-contamination. This sanitising equipment will also be used for sports equipment and chairs.</p>		<p>machine to sanitise large areas and furniture such as chairs or sports equipment.</p> <p>Ongoing monitoring by management.</p>	
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Social distancing</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>Although the Government has removed the 2 metre social distancing requirement we will continue to implement control measures which aim to create space between staff and customers.</p> <p><u>Reception Area</u> Barriers to be installed in front of the reception desk to prevent customers coming within close contact of the staff members behind the desk. Payment point Perspex screen installed to allow customers to make payments.</p> <p><u>Entry / Exit Points and Building Flow</u> Redesign of processes to ensure social distancing is in place. When the Centre is open both double front doors need to be open.</p> <p>When appropriate staff may use barriers and clear instruction and supervision to manage the entry and exit of customers to avoid the groups coming into contact with each other.</p> <p>Where prior manager consent has been given customers can use the fire exit door in the Ron Jones as a point of entry and exit.</p>	Low	<p>Review latest Government / World Health Organisation guidance and update as required.</p> <p>Staff to be regularly reminded of the importance of social distancing both in work and outside of it.</p> <p>Staff to ensure that customers only approach the reception desk at the payment point which provides protection via the Perspex screen.</p> <p>On-going monitoring by management.</p>	Ongoing

		<p>Where more than one group or class are due to arrive or leave at the same time then staff may decide to use clear instruction and supervision to utilise the changing room fire exit corridor as an additional entry and exit point.</p> <p>When visitors arrive for Central Hub they must be asked to wait outside the front doors whilst they wait for someone to come from the Central Hub team (not inside the foyer).</p>			
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
PPE Risk of: Infection control -eyes, mouth and nose	Medium	PPE such as face masks, gloves and visors are readily available to staff members and all staff have received training on how to use and dispose of PPE.	Low	On-going monitoring by management.	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Mental health Risk of: Mental health issues Risk to: All persons	Medium	<p>Management will promote mental health & wellbeing awareness to staff during the Coronavirus outbreak and will offer whatever support they can to help.</p> <p>For further advice on mental health refer to: https://www.mind.org.uk/information-support/coronavirus-and-your-wellbeing/</p>	Low	<p>Managers will offer support to staff who are affected by Coronavirus or who have a family member affected.</p> <p>Regular communication of mental health information and open-door policy for those who need additional support.</p>	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Equipment loan process Risk of: Infection control Risk to: All persons	Medium	<p>As the virus can be transmitted from person to person on the surface of items customers will be encouraged to bring their own equipment.</p> <p>Where we do loan equipment the staff member who receives the returned piece of equipment must wear gloves to receive the item and then must sanitise it with disinfectant before storing the item away.</p> <p>Strictly no sports bibs are available on loan to customers.</p>	Low	<p>Customers who need to loan sports equipment must be advised to bring their own equipment wherever possible.</p> <p>On-going monitoring by management.</p>	Ongoing

HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Handling payments Risk of: Infection control	Medium	Contactless payment methods will be encouraged. Where cash payments are made staff should ensure that they wash or sanitise their hands directly after handling money.	Low	On-going monitoring by management.	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Café and Seating Area Risk of: Infection control Risk to: All persons	Medium	The café area will be opened up and will be available as a waiting area, for example, for parents whose children are attending sessions. This does not apply on a Saturday when the area is hired exclusively by Kid Care 4 U If the café area is used by the Central Hub team they must ensure that they sanitise the tables and chairs after use. Jamie has asked that we continue to follow the existing process for Central Hub visitors where we ask them to wait outside until a member of staff comes to meet them. The cafe is open Monday to Friday from 9am serving hot and cold drinks, cakes, toast and pre-packed snacks only. The maximum capacity for the café area is 16 people and Centre staff must monitor and enforce this control measure.	Low	On-going monitoring by management. Staff to ensure that café tables and chairs are sanitised after use throughout the day. Staff to ensure that central Hub team sanitise chairs and tables after use. Evening staff to ensure that the café area is given a full clean every evening as per the Cleaning Schedule. Staff to make sure no more than 16 people are in café area.	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
Toilets Risk of: Infection control Risk to: All persons	Medium	<u>General Male and Female Toilet Areas</u> Only two people will be allowed into the toilet area at any time. This will be managed by the use of clear signage at the toilet entrance. Disabled toilets to remain locked as per normal process and if they are used by a customer they must be cleaned and sanitised after use. The toilet areas are to be included in the regular cleaning schedule and the doors, taps, flushes etc. will be disinfected regularly throughout the day.	Low	On-going monitoring by management. Door wedges to be removed from outer toilet doors and door push areas to be included in hourly sanitising jobs.	Ongoing

HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Changing Rooms & Showers</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>The male changing rooms and showers will now be available to sports customers who require them, except when the area is being used a second entry and exit point for customer bookings.</p> <p>Female changing rooms remain unavailable to customers for the time being. Ladies can use the male changing rooms and Centre staff will manage this upon request to ensure privacy.</p>	Low	<p>On-going monitoring by management.</p> <p>Changing rooms to be cleaned as per Cleaning Schedule.</p>	Ongoing
<p>Contractors On Site</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>Contractors are subject to the same rules and guidance as Centre customers and visitors as outlined already in this risk assessment.</p> <p>Staff to enter details in the Visitors Book to specify the details of the contractor and the time that they arrive and leave the Centre. The new Visitors Book should be used to record this information.</p>	Low	<p>On-going monitoring by management.</p>	Ongoing
<p>Customer Risk Assessments</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>All customers who operate clubs and run regular sessions (sports or non-sports) from the Centre (activity organisers) need to complete their own COVID risk assessment and have a duty to take reasonable measures to reduce the risk of transmission of COVID.</p> <p>The Centre Manager will continue to deal with the majority of booking enquiries and will ensure that the need for a risk assessment is a term of the booking agreement.</p> <p>Pill Mill staff are able to take on the day one off 3G and Sports Hall bookings following the instruction provided. Any regular 3G or Sports Hall booking enquiries need to be referred to the Centre Manager.</p>	Low	<p>Ensure that all customers are provided with access to the Centre COVID Risk Assessment and that they share it with their group members.</p> <p>Customers to be asked to review and update their Risk Assessment when there are any significant changes to the Government advice and restrictions.</p> <p>On-going monitoring by management.</p>	Ongoing

HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>First Aid Procedures</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>Staff to wear PPE if they are required to carry out first aid procedures. This includes face visor, face mask and gloves.</p> <p>Sports clubs and organised sports sessions are responsible for managing their own first aid requirements; however, details of any accidents requiring first aid need to be relayed to Centre staff so it can be recorded in the Centre accident book.</p>	Low	On-going monitoring by management.	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Indoor Room Use - Ventilation</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>Government advice is that rooms used indoors should be ventilated as much as possible during use. Therefore, customers should ensure that windows are open when the following rooms are in use:</p> <p>Alex Suite / Ron Jones Suite / Assembly Room / One to One Room</p> <p>Unfortunately due to building security issues we are unable to allow customers to open the fire exit doors in the Alex and Ron Jones Suite. Staff to monitor this (exception for access to classes for Phoenix Dance and Cwtch Puppy Classes).</p> <p>Whilst the Main Hall is being used the fire exit doors may be propped open to allow air to circulate.</p>	Low	<p>On-going monitoring by management.</p> <p>Staff to ensure that fire exit doors in the Alex and Ron Jones Suite are kept closed. (exception for access to classes for Phoenix Dance and Cwtch Puppy Classes).</p>	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Sports Hall</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>The person who makes the booking is the person responsible for overseeing player conduct before, during and after the session and to ensure that players adhere to measures outlined in the both the Centres and their own COVID risk assessments.</p> <p>Indoor sports sessions are strictly limited to a maximum of 100 people and this includes coaches and/or volunteers helping to run the sessions, players and spectators. Admittance should be stopped once the number reaches 100 people.</p> <p>All customers will be provided with access to the Centre COVID Secure risk assessment, either by email or via the website.</p>	Low	<p>Centre staff to oversee changeovers and help to ensure social distancing is being followed where possible.</p> <p>Centre staff to monitor numbers and ensure that limit set is not exceeded.</p> <p>On-going monitoring by management.</p>	Ongoing

		<p>Customers will be required to adhere to the control measures set out in the Centres and in their own risk assessment.</p> <p>During a changeover the arriving players should wait outside the building and not try to enter the sports hall until the current players have all left the facility. Centre staff will supervise the changeover and may decide to use the barrier fencing to separate income and outgoing customers.</p> <p>For back to back bookings any equipment changeover must be completed within the time booked by the customer using the equipment. Centre staff will manage the equipment changeover following safe procedures. The benches need to be wiped down with anti-bacterial wipes after and in between bookings.</p> <p>Players should refrain from shouting during play.</p>			
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>3G Facility</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>The person who makes the booking is the person responsible for overseeing player conduct before, during and after the session and to ensure that players adhere to measures outlined in the both the Centres and their own COVID risk assessments.</p> <p>All customers will be provided with access to the Centre COVID Secure risk assessment, either by email or via the website. Customers will be required to adhere to the control measures set out in the Centres and in their own risk assessment.</p> <p>During a changeover the arriving players should wait outside the facility and not try to enter the pitch until the current players have all left the facility. Where possible Centre staff should supervise the changeover. This may not always be possible.</p> <p>Players may enter the Centre to use the toilets and changing rooms.</p>	Low	<p>Wherever possible centre staff to oversee changeovers.</p> <p>Centre staff must to ensure that hand sanitiser is placed in the holder at the entrance prior to the start of any bookings.</p> <p>Staff have been briefed on the changes regarding 3G bookings (briefing dated 09.06.21) and are now able to deal with on the day 3G bookings from individuals and groups of people. Regular 3G booking enquiries must be referred to Julie.</p>	Ongoing

HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Reduced Room Capacity</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>To facilitate social distancing guidelines the revised room capacity details are as follows:</p> <p>One to One Room – 4 persons (pre-COVID capacity) Assembly Room – 10 persons (pre-COVID capacity) Alex Suite – 25 square meters - 15 persons (pre-COVID capacity) Ron Jones Suite – 121 square meters - 60 persons Learning Suite – 80 square meters - 40 persons Café Area – 16 persons</p> <p>Sports Hall – 512 square meters – the maximum number of people for an indoor sport session or an organised event is 100.</p>	Low	<p>On-going monitoring by management.</p> <p>Staff to monitor bookings to ensure compliance with COVID room capacity limits. Highlight any issues to a manager.</p>	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Test Trace Protect – Recording Customer Information</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>The legal requirement to keep records for Test Trace and Protect has been removed, however, the Centre has implemented the following control measures:</p> <ul style="list-style-type: none"> • Customers and visitors will be encouraged to scan the QR code for the NHS app. • A voluntary sign in sheet is available at the entrance for people to record their attendance. • Activity organisers will be encouraged to record the details of people who attend their activity. 	Low	<p>On-going monitoring by management.</p>	Ongoing
HAZARD	RISK LEVEL	CONTROL MEASURES	NEW RISK LEVEL	NEW CONTROL REQUIRED	TARGET DATE
<p>Mandatory Use of Face Coverings in Public Places</p> <p>Risk of: Infection control</p> <p>Risk to: All persons</p>	Medium	<p>It remains mandatory for people to wear face coverings in indoor public spaces, and this includes both customers and staff working in the public areas.</p> <p>The face covering must fully cover the nose and mouth area and must fit tightly at the sides of the face and under the chin, without any gaps. A face visor is not a replacement for a face covering.</p> <p>Centre staff will need to wear face covering at all times whilst on duty. The only time a face covering can be removed is when:</p>	Low	<p>On-going monitoring by management.</p> <p>Information to be displayed at the entrance to Centre.</p> <p>Ensure that there is an ongoing ready supply of face coverings for use by Centre staff.</p>	Ongoing

		<ul style="list-style-type: none"> • The centre is closed to the public and the staff member is working alone. • The staff member is working alone (cleaning or setting up) in a room. • To eat or drink. <p>Even if the building is not open to the public staff still need to wear their mask if they are working with another staff member. This is because it is not always possible to maintain 2m social distancing within the reception area.</p> <p>Management will supply disposable face masks. Staff can request a specific type of reusable face mask which will be purchased on their behalf.</p> <p>Customers and Centre users must only be allowed access to the Centre if they are wearing a suitable face covering. Signage will be placed at the entrance to the Centre. If a customer refuses to wear a face covering and does not specify an exemption they can be refused entry to the building.</p> <p>There are a small number of reasonable excuses not to wear a face covering and that includes if you are not able to put on or to wear a face covering because of a physical or mental illness, or because of a disability or impairment.</p> <p>Customers attending the Centre for indoor sports must wear a face covering when they enter and exit the building through the reception area. They also need to wear one when they come into the general reception and corridor areas to use the toilets, vending machines or water dispenser. The face covering should remain in place whilst the customer is in the Sports Hall and may only be removed whilst the customer is undertaking any activity that is strenuous.</p> <p>https://gov.wales/face-coverings-guidance-public</p>		<p>Centre staff to ensure that they wear an appropriate face covering at all times.</p> <p>Centre staff to supervise bookings and sessions to ensure that customers wear face coverings when appropriate.</p> <p>Staff to review information about the correct way to wear and dispose of face coverings.</p>
